

Wet Lab Plan

Participants: Megan Fletcher, Poli Foteva, Isobel Guthrie, Soo Bynn Lee, Bradley McCallion, Caius Gibeily, Laurence Seeley

Discussed theoretical wet lab. Completed SBOL for gene circuit again (corrected). Uploaded part sequences to the OneDrive and ApE files too.

Video

Participants: Laurence Seeley

Worked on the promotional video transcript further – completed. Recorded draft 1 for promotional video.

Team Collaboration

Participants: Isobel Guthrie, Laurence Seeley

Finished and submitted poster for Marburg meetup. Created an introduction video for this meetup too.
