**Participants: Megan Fletcher, Poli Foteva, Caius Gibeily, Isobel Guthrie, Yaxuan Kong, Issac Li, Soo Bynn Lee, Bradley McCallion, Anneleen de Ruiter, Laurence Seeley**

Discussed modelling with Chris and how to approach the patent idea.

### **Twitter sentiment analysis**

**Participants: Yaxuan Kong, Poli Foteva, Isobel Guthrie**

Yaxuan explaining the code, Team thinking about the story

### **Interview with Prof. Firbank**

**Participants: Yaxuan Kong, Poli Foteva, Soo Bynn Lee**

Preparation for the interview with Prof Firbank.

Interview with Prof Firbank - discussing the structure, length and content of the forum. Decided what the audience will be. Advised us about GMO safety regulation - 3 stages and expensive lab protocols; 100% safety; assessing benefit vs risk for both human and environment.
