

Welcome to the iGEM 2020 Program

FOLLOW THESE STEPS TO HAVE A SMOOTH EXPERIENCE!

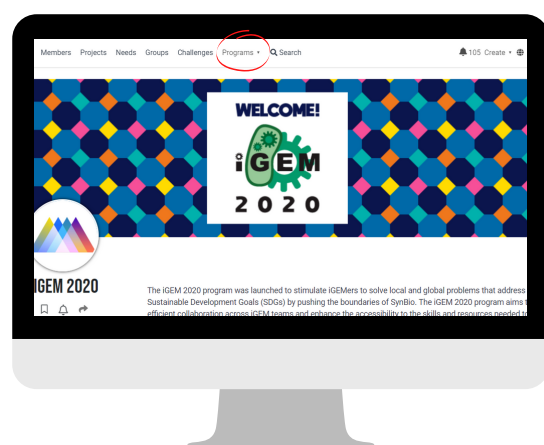

1.) CREATE YOUR ACCOUNT ON JOGL

- Go to jogl.io
- Click on the "join JOGL" button on the menu bar
- Fill in all your details.
- And Voila! you are ready to start exploring

2.) ON THE PROGRAM LEVEL

- After creating your account, you will be directed to app.jogl.io/ Use the same link if you already have an account.
- Click on Programs on the menubar and select iGEM 2020 from the dropdown
- You can browse through the program menu (on your left) to view the about page, needs, projects, etc.

3.) ON THE CHALLENGE LEVEL

- Participate in the **iGEM 2020 program** by joining any of its active challenges.
- Select any of the **iGEM: XXXX SDGs** challenges, join the challenge and either submit a project or explore projects to find one to join!

4.) ON THE PROJECT LEVEL

- **Create** a project/Join a project
- Upload a project description. Add a link to your team wiki
- Indicate what SDG(s) your project addresses.
- Submit to one of the **iGEM: XXXX SDGs** challenges.
- Post your project needs
- Search for resources via specific filters

5.) IF YOU ARE STILL LOST

- Check out the program **FAQs**
- Contact ojas@igem.org for issues concerning the iGEM 2020 program/ Contact support@jogl.io for help regarding the platform

LET'S START COLLABORATING!
