

Gene Circuit

Participants: Caius Gibeily, Laurence Seeley

Found gene sequences for UV sensing component and added parts together to suit assembly standards.

Synthetic Biology Forum

Participants: Poli Foteva, Yaxuan Kong, Bradley McCallion, Laurence Seeley

Forum meeting: thought of people to contact who would act as panellists in the discussion. Looked at outreach and education being introduced into our forum.

Social Media

Participants: Poli Foteva, Bradley McCallion, Anneleen de Rooter, Laurence Seeley

Discussed the success of the social media campaign so far and made a new instagram post.

App Development

Participants: Isobel Guthrie, Laurence Seeley

Worked on data collection for the 'coralware' application.
